

# CAM: Certified Apartment Manager

March 2012

**Complete your property management certification classes in just 4 classroom sessions and 3 online modules!**

**Earn Recognition as an Industry Professional!**

Increase your effectiveness by enhancing your knowledge of the multi-family industry. The CAM curriculum is designed to maximize the experience of the on-site professional and clear a path for growth and recognition. Your enrollment will enhance and advance your own career by demonstrating your commitment to education and higher standards of excellence.

**Who should attend**

- Time-challenged managers and assistant managers
- Seasoned managers wanting to quickly enhance their experience with a designation
- New managers and assistant managers looking for advancement
- Job seekers wishing to boost their resumes and experience
